Jacob,

I'm sorry it took me a while to compile the list of URLs. I have attached an excel sheet that has the usernames, filenames and URLs that I would like to retract. Please let me know if you have any difficulty opening the file or if you need anything else.

Dear Aimee,

Thank you for the retraction. I have been able to restore the material on
the BeachPartyBoi account, and consequently the account has been reactivated. However, regarding the other material in question, can you provide the URLs of the videos? We are not in a position to evaluate what
material may have been believed to be infringing on what other material when a notice of alleged infringement was submitted to us.

Sincerely,

Jacob

Subject: MGM Copyright Notices - Recall
Date: Thu, 31 May 2007 15:49:19 -0700

To Whom It May Concern:

I have been notified by Metro-Goldwyn-Mayer (MGM) that notices have been mistakenly sent for videos that were posted on YouTube as part of two

viral video contests/marketing campaigns. Unfortunately, once the video has been removed from YouTube, it is impossible for me to single out which videos were specifically infringing and which ones were meant as contest entries. I am contacting you with the hopes that you can help me to retrieve and repost any of the videos that were taken down in response to notices sent from the mgm2-no-reply@copyright-compliance.com email address any time after May 11, 2007 only for the following assets (asset information can be found in the "evidentiary information" section of the infringement notice):

Stargate SG-1

Stargate SG-1 VST

Stargate Atlantis

Stargate Atlantis VST

I would also like to request that you give priority to reinstating the account of (username) beachpartyboi as he was responsible for running the contest. Please also reinstate any user accounts that may have been suspended due to notices matching the above specifications.

I understand that this may be a challenging request but I hope that you can help me get these videos back up as soon as possible. Please let me know if you have any questions or concerns regarding my request. Also, I'd be glad to supply any further information as needed that may help process this request.

Best Regards,

Aimee Shea, on behalf of MGM - Copyright Compliance

Dear Michael,

Thank you for the email. The video has been restored.

There is still record of another claim from Warner Bros. against another video on your warnerbrosonline account, "Forbidden Planet: Future." If you would like to retract that claim and have that material restored please let us know.

Sincerely,

Re: Gumby on the Moon

To whom it may concern:

It has recently come to our attention that a Gumby episode, specifically, "Gumby on the Moon," has been taken off of YouTube due to an assertion of rights by Warner Brothers. The purpose of this letter is to refute this claim and request that you repost the Gumby on the Moon episode promptly.

Despite Warner's assertion of ownership to the rights to Gumby on the Moon, Premavision signed an agreement with Warner ending Warner's control of the Gumby content. A joint venture between Classic Media Premavision (now Entertainment Rights) also shows an end to any such ownership, leaving Premavision free to license the series to DMGI. If you would like a copy of our license with Classic Media, guaranteeing their ownership and right to license the content, one may be provided to you upon request.

DMGI consents to the jurisdiction of Federal District Court for the judicial district in which the address is located.

DMGI also expressly reserves all rights regarding this matter. If you have any questions or comments, please don't hesitate to contact me directly.

Sincerely,

Stacy Salvi

Subject: Would like reinstatement of an account "GregBass"

To Whom It May Concern:

Late last year our Record Label, Concord Records, released an album called "Ray Sings, Basie Swings" by Ray Charles working with the Ray Charles estate and Ray Charles Enterprises. In support of this album, we released a video mashup for a song called "Busted" that featured clips from the "Family Guy" with FULL PERMISSION to do so from Seth MacFarlane, the Producer of Family Guy secured for us by our Owner, Norman Lear. Acordingly, we directed our Independent Online Marketing Company Special Ops Media Group post the video under their account "GregBass." This morning I have learned that their account was deactivated due to their posting this video.

PLEASE reinstate their account "GregBass". We had permission to release the Ray Charles mashup for promotional use therefor Special Ops was within their rights to post this video as per our instruction. PLEASE CONTACT ME if you have any further questions but I would truly appreciate your prompt attention to this matter as it is critical for us to have them have the ability to post videos.

Your attention to this matter is greatly appreciated.

Dave Henson

We did it again! We inadvertently sent a take-down request on behalf of our own content. Please reinstate this video (http://www.youtube.com/watch?v=NMKEHQqREMo) into the channel "eidtorsofficial" (www.youtube.com/editorsofficial <http://www.youtube.com/editorsofficial>).

We're in the process of training a couple of people to help out with the take-down requests...there will probably be a few more mistakes like this, and for that I apologize in advance.

Thanks
